RE: Mr. Soo Kim

Dear Honorable Commissioners:

I want to take this opportunity to extend my full support of Mr. Soo Kim and Standard General. After meeting with Soo Kim and upon careful and scrupulous review of his record on diversity and inclusion, my team and I wholeheartedly support the purchase of Tegna.

Soo Kim, being Korean-American, is sensitive to the plight of racial justice, equity and inclusion. It is my strong belief that Soo Kim would be committed to inclusion which leads to growth in the America of our dreams. He will honor the spirit and the law representing the best in American ideals.

The attack on Asian Americans, anti-semitism and the attempt by leadership to turn back racial justice are foremost in his mind. He is one of us.

If you should have the need for further discussion, I would welcome availing myself along with Mr. Kim present in his pursuit of the purchase of Tegna.

The Rainbow PUSH Coalition will continue to monitor the project as we do with all of our corporate partners on Wall Street, Silicon Valley and globally to ensure that promises made are promises kept.

Keep Hope Alive!
